**PNWMA Licence required to ride any of these events. Available at signup.**

**Sound test at all PNWMA ORS events. Maximum 96 db. Random sound testing will be aimed at excessively loud motorcycles. Failure may result in suspension of points. See website for details.**

**- Spark arrestor mandatory at all events.**

Points are not transferable between classes.

One averaged score given to riders who work an event. Average based on best scores up to the maximum counted for any given class. Workers must ensure the sponsoring club has them on the workers list for points.

A rider who stops racing to assist someone injured will be given an averaged score for that event.

**Women** have the option of riding any class, depending on ability.

Riders must start and finish on the same motorcycle. Studded tires are not allowed.
