## FVDRA OBJECTIVES

1. To lend encouragement to members of all levels of dirt biking interests and capabilities
2. To maintain the interests of all members by holding a variety of fun events, both competitive and non-competitive
3. To hold clinics to educate as well as encourage new or inexperienced riders
4. To gain as much media support and exposure as possible in an effort to ensure club growth as well as public acceptance
5. To work in conjunction with other clubs to sponsor varying activities
6. To put on one or two events per year to promote our club and the sport of off road motorcycling

## THE DIRTRIDER'S 10 COMMANDMENTS

1. Ride with proper protective gear at all times
2. Have a proper spark arrestor and exhaust silencer
3. Obey all private property and no trespassing signs at all times
4. Appreciate our environment and our designated recreation areas
5. Always be considerate of others in any area
6. Move aside for a faster rider whenever it is safe to do so
7. Be aware of slower riders and pass with care
8. Offer assistance to other riders if needed
9. Be free of drugs and alcohol when riding
10. Keep our riding areas litter free and take all your garbage with you
