LOTTERY CLASS & COURSE RULES
The lottery class is an all ages non-competitive event and is not considered to be a race.   The lottery class will use a ticket draw, one ticket earned for every counted lap, to determine all winners and their final team standings. Trophies will be awarded to third place. Lottery class has its own course apart from the other race classes and has special rules.
Team members can be at various rider experience or capability levels, but all teams must keep the lap time above the posted MTL to be counted.
